

Essencia

NATURAL FRAGRANCE, SWISS DESIGN

At Essencia, we are driven by a deep knowledge of natural ingredients and their benefits to create innovative blends of plant and flower fragrances for clients around the world.

Embracing our heritage.

Sharing the inspiration generated by our exceptional natural surroundings in the pursuit of greener natural fragrances.

From concept to creation, we are dedicated to preserving the quality and longevity of the raw materials infused in each of our sophisticated blends and unique compositions.

CLIENTS**

TrueScent : Responsibly created, naturally inspired.

Creating enchanting perfumes with raw materials found in nature without depleting or damaging these essential resources.

Our fragrance designers have created a line of lasting perfumes with refined notes straight from nature, reflecting the rarity and intricacy of each TrueScent blend.
